

## York VCSE Assembly – Social Prescribing

6 July 2022, 10:00 – 12:00, Main Hall

### ROUND TABLE DISCUSSIONS / FEEDBACK

Please could one member of your table take notes and nominate one person to feedback a brief overview of the discussions. Please leave this document on your table so we can collate the feedback.

Question 1:	Feedback
<b>Through the work you are doing what gaps in services are you seeing?</b>	<ul style="list-style-type: none"><li>• Concerns about duplication leading to people being assessed multiple times</li><li>• What work has been done on existing pathways?</li><li>• How do social prescribers know what is going on?</li><li>• Speed dating networking sessions, what are places providing and make links</li><li>• Information on what's available</li><li>• People are unaware of SP, is there a judgement on who should access it</li><li>• Project peer support development</li><li>• Transport</li><li>• Assistance with technology and form filling</li><li>• Knowing how to self-refer, multiple ways of contact</li><li>• Professional specialist counselling for people with visual and hearing impairment</li><li>• People moving out of the area</li><li>• Side by side support service doesn't exist</li><li>• Support for carers, carers respite</li><li>• Inclusive activities</li><li>• Green prescribing</li></ul>

Question 2:	Feedback
<ul style="list-style-type: none"> <li>• <b>Would your organisation consider having a specialist social prescriber to focus on your particular client group/specific issues?</b></li> <li>• <b>What could that look like and who might you want to work with?</b></li> </ul>	<p>YDRF: Doesn't currently have capacity but potentially in the future</p> <p>My Sight: Absolutely Yes</p> <p>York Neighbours: No but to be part of the pathway</p> <p>TCV: Funding to offer activities, sustainability, be accessible/available on the phone</p> <p>Survive: Yes</p> <p>Dementia Forward: Yes</p> <p>OCAV: Yes</p> <p>Kyra Great idea, glue to connect to wider network</p> <p>Generate: Yes, with caveats. Would need to put criteria in place</p> <p>Home-start York: Our volunteers act like social prescribers so some training would be useful</p> <p>JQ: Already have it</p>
