- Opportunity to mentor and shape future professionals
- Flexibility in project timelines and requirements

**Project proposals could include:**

- Graphic design
- Research
- Web design
- Content writing
- Photography
- Videography
- Audio production
- ...and much more

“

From my perspective, this whole thing has been superb, and not only am I over the moon with the final product, but the entire process as a whole. Thank you very much!

**Ross Turner Academics.  
Project: web re-design**

”

“

Alex was professional, enthusiastic, and dedicated to making sure I got exactly what I needed in my branding.

**Elaine Morris, Curious Edge.
